Could you both take a look and see what you think? For July they are showing:

Proposed Plans for Unimatic OU2, Cinnaminson OU4, Imperial Oil (amendment), and Riverside, and a ROD for Sherwin OU2 (FMP).

I have to get back to Walter with our list by noon on Thursday July 9. So, I'm sorry but by COB tomorrow (Wednesday), please look at the attached and, using redline/strikeout, please make any additions or changes. Pls. use your own judgment as to what is significant enough to be added.

Thanks!
